Vulcan, Alberta

54th Year, No. 17

Burgess Exalted Ruler

A new slate of officers was elected for the coming year at the Nov. 8 meeting of the Vulcan BPOE Lodge No. 121. Installed were Mel Burgess, Exalted Ruler; George Gooch, Leading Knight; Art Fischer, Loyal Knight; Dave Watson, Lecturing Knight; John Hyslop, Chaplain; Joe Gerding, secretary, and Roy McLennan, treasurer.

Conducting the ceremony were the Ladies Patrol Team of the Royal Purple, District Deputy Grand Exalted Ruler Stu Rasmussen, Calgary, Exalted Ruler Frank Taylor of Calgary No. 4 Lodge and Past District Deputy Grand Exalted Ruler Len Sundquist of Staveland. Installing officer was DGER Stu Rasmussen and assistant installing officer was District Deputy Supreme Honored Royal Lady Ina Ohler. Another guest was Exalted Ruler R. Ohler of Staveland.

General business was discussed during the enjoyable evening which followed. Plans were made for participation in the provincial convention to be held at Calgary and for the local New Year's Eve dance. Tickets will be sold on a Grey Cup pool and final arrangements were made for the Elks "At Home" set for Friday night, Nov. 26, at the Armouries. Tickets are available from Brothers McLennan, Lebsack, Burgess and Gooch.

"Good Of The Order" draw was won by Brother Walter Stewart while the \$30 attendance draw was won by Bill Patton.

Beverly Howell Laid To Rest

Services were held at the Lomond Lutheran Church on Friday, Nov. 18, 1966, for Beverly Alva Howell, aged 19, who passed away on Tuesday, Nov. 15.

The daughter of Mr. and Mrs. Edward Howell of Lomond, she is survived by her parents, sisters Diana and Marie, brother Robbie, Grandma and R. J. Honess.

Pastor Gordon Hendrickson officiated and interment was in the Vulcan cemetery. Arrangements were in charge of the Vulcan Funeral Home.

RAY SPEAKER

At S.C. Convention

Nominate Ray Speaker As Little Bow S. C. Candidate

At the nominating convention of the Little Bow Social Credit Association, held in Vauxhall November 14, Ray Speaker, MLA, was the unanimous choice of the 69 voting delegates present as Social Credit candidate for Little Bow constituency in the next provincial election. Mr. Speaker, a resident of Enchant and school teacher by profession, has represented this constituency in the provincial legislature since the 1963 election. His name was proposed by R. J. Pelham of Vulcan.

Guest speaker at the convention, the Hon. Gordon Taylor, Minister of Highways, was introduced by Glenn Rhodes of Champion. In his address, Mr. Taylor said that representing the people of Alberta was a great challenge, that any

A Time For Work . . . A Time For Play At Curling Rink

CURLING NEXT. Home house-keeping has suffered this past week among many of Vulcan's female curling fraternity but it's been for a good cause and this Thursday these ladies above, and many more will be out on the ice with brooms and slacks, not brushes and jeans.

Since last Wednesday the ladies have been working daily at a general overhaul of the interior of the curling rink and by Thursday night of this week a spanking new interior will greet entrants to the mixed bonspiel which begins this new season.

Upstairs the walls and floor

have been painted and other improvements made while downstairs, new linoleum has been laid, the walls have been painted, and the lunch counter revamped for more convenient operation. A second door has been installed at the entrance, re-wiring has been done and a heater will warm the actual ice area.

Without considering labor—the pay on these projects is poor—over \$700 has been spent on the face-lifting and it's all designed to help bring new members and new life to curling at Vulcan. There is a mixed league, men's league and women's league and curling can

be as frequent or occasional as is desired so the welcome mat is out. In the photo above, the Thursday crew are, from the left: Mary Haga (Ladies' President), Shirley Wolfe, Ena Brown, Ethel Banks, Mabel Rea, Ruth Orchard, Alice Sjogren, Thelma Haverty, Mildred Bagozzi and Marie Moore.

Of course the clean-up job was not an exclusive ladies' venture. Men's Club President Vernal Haga has had parties at the rink since the last week in October handling the heavy end of things and it all comes down to one final flooding to have everything ready for Thursday night.

Jim Fetterly Guest Speaker

Northcott Guest of Honor At Friendship Dinner

Kinsmen and guests had an enjoyable evening at the Vulcan Lodge Hall, Wednesday, Nov. 16, when the occasion was the Kinsmen's second annual Friendship Dinner.

Guest of honor at the affair was Ron Northcott, world curling champion, whose rink last season won both the Macdonald Brier Canadian curling trophy and the Scotch Cup, emblematic of world supremacy in curling. Ron, whose parents, Mr. and Mrs. Charles Northcott, operate businesses in both Vulcan and Brooks and who took most of his schooling in Vulcan before moving to Calgary, gave much credit for his success in curling to what he had learned as a high school curler in Vulcan from such skips as Bev Banks and Bud Haverty. Representing Canada in the Scotch Cup competition and winning the world crown for Canada were the greatest thrills experienced in his curling career, he said.

Guest speaker Jim Fetterly of Calgary congratulated the Vulcan Kinsmen Club on the work it has done for the community. The club should never pause in its efforts, he said but should keep active in providing such facilities as play-

grounds and should lend its full support to the construction of a recreation centre in Vulcan, which is badly needed and would help Vulcan maintain its place as one of the finest communities in Southern Alberta.

Vauxhall Kinsmen Club president Howard Olsen was introduced and brought greetings from his club.

Mayor G. C. Ness of Vulcan extended a welcome on behalf of the Town of Vulcan and congratulated the Kinsmen on the fine work they were doing.

Chairman for the evening was Keith Aiken, president of the Vulcan Kinsmen Club, who welcomed all present and introduced the guests of honor. In a brief resume of the work of the Kinsmen, Mr. Aiken said it is the only all-Canadian young men's service club and its current national project is the construction in Toronto of a \$350,000 National Institute for Mental Retardation to commemorate the club's Golden Jubilee in 1970. The institute will serve all Canada, researching the causes of mental retardation and training instructors for the mentally retarded.

In Vulcan, said Mr. Aiken, the Kinsmen have completed construction of one children's playground, next to the swimming pool, and will build another next year in the north-west part of town. These playgrounds are the town's centennial project. The club had already donated \$1,000 for the proposed Recreation Centre and is pledged to donate another \$1,000 in each of the years 1966 and 1967.

The draw for cash prizes, a feature of the Friendship Dinner, was presided over by Jim Fetterly and winners were as follows:

Andy Foster \$15, R. Lundgren \$15, Cody Whiteside \$15, Dr. F. Schneider \$15, Bruce McKay \$25, Bert Hanley \$15, G. A. Sales \$15, Doug Maisey \$15, Herb Bender \$15, Gary Jopling \$50, Don Schmidt \$15, Richard Hammer \$15, D. Lundgren \$15, Gordon Habke \$15. The main prize of \$500 was split between Allan Inghram of Arrowwood and Larry Mitchell of Vulcan.

75% Labor Recoverable . . .

Under Winter Works

County Office Addition Contract To 'Bridge Firm

Kenwood Engineering Construction Ltd. of Lethbridge has been awarded the contract for the construction of an addition to the County of Vulcan office.

Kenwood's tender of \$249,000 was the lowest of four tenders received, the others being Bird Construction \$268,800, McLean Service & Construction \$259,890 and Jason Construction \$250,669.

Morris Kerr of Stevenson & Partners, Architects, was present at the council meeting held Nov. 4, at which the tenders were opened, and noted that Kenwood's bid of \$249,000 was only slightly in excess of the estimate.

The original bylaw authorized the expenditure of \$200,000 for the addition to the county office. After some discussion, Bylaw 576, amending the original bylaw by increasing the amount from \$200,000 to \$265,000 was introduced, read and passed first and second readings and by unanimous consent was read and passed the third and final reading.

It was noted that the office addition would be built under the Winter Works program, through which an amount equal to 75% of the labor costs would be remitted back to the County. It was estimated that this would amount to between \$45,000 and \$50,000, reducing the actual cost to the County by this amount.

Reeve Jack Deltz presided at the council meeting and present were Councillors F. E. Hubka, A. W. Ulrich, Ivan Haga, R. S. Irwin, Earl Erickson, A. McAllister, M. Willard, E. W. Prater, Frank Thurber and D. A. McNiven, also Secretary-treasurer D. D. McQueen.

Mr. Thurber reported on matters in respect to school operation, and cited the fact that the schools generally were well organized and staff was co-operating very well. A number of innovations had been instituted by Mr. Bardock which had been approved by the school committee.

Mr. Haga, chairman of the municipal committee, reported to the council in respect to the public works program, and noted that the season was rapidly drawing to a close. He reported that the graveling contract had been let to Tollestrup Construction Co. and that there would be from 75,000 to 100,000 cu. yds. of gravel stockpiled this season under the Winter Works Program.

Sufficient work had been done to earn the highways grant for this season and application for the grant was being prepared and would be forwarded to the department within the next week or so.

Councillors discussed the matter of the Boy Scout Park at Armada and the Lions Club Park at Carmangay and noted that there had been some extension granted by the Parks Branch from Oct. 31 to allow work to be completed. An application had been made from the Armada Park promoters to have the kitchen insured. It was noted that this park and the Lake McGregor Park were in the name of the County of Vulcan and that the county was indirectly responsible for the safe operation of these parks. It was recommended that liability insurance be placed, as well as fire insurance on the camp kitchens. It was moved and carried that the county insure the camp kitchens for \$2,000 for one year.

The secretary-treasurer read a letter of resignation from Ken Houlton, agricultural fieldman, to take effect Nov. 30, 1966. It was moved and carried that Mr. Houlton's resignation be accepted with regrets.

Councillors expressed the opinion that the agricultural committee should make a recommendation for a successor to Mr. Houlton.

The secretary-treasurer advised the council that the Alberta Assessment Appeal Board would be sitting in the county office in the near future to hear complaints against the decisions of the Court of Revision. It was noted that there were quite a number of these complaints to be heard and that the board might be sitting on these appeals for a few days. It was suggested that if the Appeal Board desired to hold its sitting during the week of council and committee meetings, that arrangements be made to change the date of the meetings to suit the board.

A letter from Mrs. Madeline C.

Cadman in respect to the county's offer of \$50 for damages to land on the S.W. 20-16-26-4 for the Little Bow River diversion, was read. Mrs. Cadman was not satisfied with the offer and suggested that the amount of damages be set at \$300. This matter was tabled until the next meeting.

The secretary read a letter from Melnyk Drafting Service in respect to re-issuing the county map. The letter quoted prices as follows: Map five colors. Same as 1961 edition. 1— Hand colored linen back wall map 60" x 67" and 1000 pocket size maps 39" x 35", \$2,875; or 2000 pocket size maps 39" x 35" \$3,200.

It was moved and carried that the county authorize the re-issue of the county map, as quoted by Melnyk Drafting Service.

Essay Response Poor . . .

Response to the Peace Essay contest sponsored by the Lions Club at Vulcan has been very poor so far but officials are hopeful that entries will be received before the Dec. 10 deadline. A similar project is being sponsored by the Milo Lions Club for the benefit of young people between the ages of 14 and 21 in that district.

The purpose of the contest is to focus attention of people on the desirability of searching for ideas and developing a plan toward making world peace a reality.

A total of \$50,000 in prize money, is offered by Lions International including \$25,000 first prize and eight awards of \$1,000 each and a trip to Chicago in 1967 for final judging. At the local level cash prizes will be awarded to winning entries before they are passed on for further judging.

World Crown To Quebec

Hansen Flax Entry Wins Reserve Championship

The Harold Hansen family who for the past two years have taken the World Flax crown at the Toronto Royal Winter Fair, missed making it three in a row this

year as the championship went to Henri Mandry of the Province of Quebec. Harold's sample did take the Reserve Championship so it was next door to the winner's circle. A new flax variety, Noralta, was used by Henri Mandry while Harold grows Raja.

The Quebec win for flax came as a surprise to growers as it has been generally regarded that the West is the flax stronghold of the nation.

Harold's flax sample came from a field that missed the hail and went over 30 bushels to the acre at harvest. The only difference noted in this year's flax was that kernels were darker and plump by comparison with those of other years.

With the sample reduced in weight from 15 to 10 pounds, selection would appear to be a reduced job but to the family it seemed just as long and arduous a chore of screening and selection as ever.

At Toronto judging is performed on about 20 samples of flax each year. Alberta samples are first sent to Edmonton and must pass inspection there before being passed to Toronto.

Had the third consecutive championship come to the Hansens this year Harold had thought of retiring from competition but now he is not sure about next year.

"However I've always maintained that the best grain in the country comes from this district and I think this has been proven."

The family plans to enter the Lethbridge and Calgary Seed Fairs late in the winter.

Services were held at the Pentecostal Tabernacle, Vulcan, on Tuesday, Nov. 22, conducted by the Rev. J. F. Lynn. Pall bearers were Bert Somerville, Graff Gunderson, Lundy Findlay, Jack Brotherhood, Albert Marsh and Jim Connolly.

The Vulcan Funeral Home was in charge of arrangements.

Only Two Births In October

Two births were recorded at the Vulcan Municipal Hospital during the month of October: Oct. 16, to Mr. and Mrs. Lorne O. Smith, Champion, a daughter.

Oct. 28, to Mr. and Mrs. W. Ronald Thompson, Arrowwood, a daughter.

The difference in time between Newfoundland and the Yukon is five and one-half hours.

Gay Nineties Carnival Well Attended

With a "Community Recreation Centre" to gain a few dollars to lose, hundreds of adults and children attended the "Gay Nineties" carnival last Saturday at the armoures.

Sponsored by the Vulcan and District Recreation Centre, the carnival and raffles netted \$1400 and brought special happiness to two families. Frank Hess won the oil painting done by Mrs. Reg Stein and raffled by the Centre committee and Mary Mumby won the "Grey Brick" draw. It may be safely presumed she accepted the

alternative \$250.

Friday night before the one-day venture, crews moved in and transformed the four walls and floor of the armoures into a "Come and make your fortune" setting. By Saturday noon all that was missing were the sawdust and \$10 per round "rassling" matches, and suspicious looking operators of the old-time country carnivals.

There were no cars or trips to Mexico offered as prizes and there were some suspicious looking slickers handling the wheels but when they turned out to be the

smiling faces of the likes of Ray

Wellman, Frank Wythe, Cliff McAskie, Eileen Haga or Freda Jones, things didn't look so bad. Most everyone did manage to get fleeced in the operation but that was generally considered to be the object of the game . . . the cause was worthy and this method of donation was more exciting than a straight cheque.

Downstairs the action at the bingo tables was steady most of the time and especially in the evening. The end result was often the same as upstairs but it took

longer.

For the children there was continuous action with several dart, pop-gun and fish pond games on offer and twice during the day, that mystery of the new generation, Go-Go Girls, was in concert on the stage.

This was a community co-operative project with several organizations each taking a game as its own, setting it up and staffing it for the Recreation Centre organizing committee.

Throughout the day lunch was (Continued on Page 12)

QUEENSTOWN

Mrs. Pal Nelson and Mrs. Jack Long accompanied Mr. and Mrs. Eugene Bushell to Toronto. A good crowd attended the Queenstown Community dance on Friday evening. Congratulations to Mrs. Ray Parker in winning the

electric blanket which was the major door prize.

Ron Vert and Dawna McCord were among the Bingo winners at the Milo Hi-C bingo which was held in the Milo Community hall on Saturday evening.

A three bushel quota is now in

effect at Queenstown. CPR have been sending through special trains to get grain moving more quickly on this line.

Mr. and Mrs. Arthur Nelson attended the wedding of the latter's cousin, Rickie Weaver, at Calgary on Saturday of last week.

District News

LOMOND

People in Lomond and surrounding district extend their deepest sympathy to Mr. and Mrs. Edward Howell and Diana, and to Mr. and Mrs. R. J. Honess, and all members of the family on their recent sad bereavement. Words cannot express the feeling of shock and grief experienced by all at the news of the death of Beverly Howell on Tuesday, Nov. 15, at the University Hospital in Edmonton.

Among the university students from various points who were home last weekend to attend the funeral services of the late Miss Beverly Howell were Kenneth West of Edmonton, Keith Goldthorpe, Larry Helland and Kenny Wong of Calgary and Bent Pederson of Camrose.

Friends extend best wishes for a speedy recovery to Leonard Sokvitne, a patient in the Calgary General Hospital.

Marie and Billy Ruppert spent Saturday night in Vulcan as guests at the Ralph Richardson home.

Miss Leona Koch of Calgary was a weekend visitor at the home of her parents, Mr. and Mrs. Milton Koch.

Mr. and Mrs. Frank Boyd were Sunday guests at the home of their son-in-law and daughter, Mr. and Mrs. Art Reed of Shouldice.

Lions Ladies' Night was postponed from last Friday night, Nov. 18 to this Friday evening, Nov. 25.

Friends will be pleased to learn that Johnnie Pytlarz returned home from the Vulcan Hospital on Monday after being a patient there over the weekend.

Best wishes for a speedy recovery are extended to Stencil Chambers who is a patient in the Vulcan Hospital.

Len Chase and Terry were Lethbridge visitors on Friday of last week.

Mr. and Mrs. M. Jones and Mr. and Mrs. Burt Hingley were Lethbridge visitors on Saturday of last week.

Mr. and Mrs. Ralph Richardson

and family and Mrs. Wallace Chase, all of Vulcan were Sunday visitors at the homes of Mr. and Mrs. Len Chase and Mr. and Mrs. Pete Ruppert and family.

Mr. and Mrs. Paul Maier and family were Lethbridge visitors on Saturday of last week.

Mr. and Mrs. Jennie Teasdale and young son of Calgary were weekend visitors in Lomond.

ST. JOHN'S GUILD

The St. John's Anglican Guild held their November meeting at the home of Mrs. Alice Boyd on Nov. 8, with a good attendance.

The meeting was brought to order with the repeating of The Lord's Prayer in unison. After routine business the meeting discussed the annual variety night. This year it will take the form of an Amateur Program on Dec. 9, with Mrs. Leona Kunkel and Mrs. Alice Clifford accepting entries which are to be in by Nov. 25.

Before lunch was served the Guild held a sale of house plants which were presented to the Guild through the kindness of Mrs. Velma Booth.

The next meeting will be held on Dec. 13, with Mrs. Florence Hart as hostess. On lunch will be Mrs. Mary Frost and Mrs. Ivy Goldthorpe. A lovely lunch served by the hostess and her committee brought the evening to a close.

MOSSLEIGH

The local news of Mossleigh was not reported to the Advocate last week due to the correspondent being in the city under doctor's care.

Approximately 11 persons were present at the community club meeting held in the Mossleigh hall on Nov. 9. It was decided to have the New Year's dance on New Year's evening, commencing at midnight.

The group of people who gathered at Archie Hays' home the evening of Nov. 12, enjoyed a social evening in honor of Mr. and Mrs. John Kaiser.

Mr. and Mrs. Lloyd Brown and Mr. and Mrs. Loring Piehl attended the wedding of Miss Jean Irving, daughter of Mr. and Mrs. George Irving of Sundre, Nov. 12.

Mr. and Mrs. Ed. Robinson motored to Fort Nelson, B.C., where they visited their son John who is employed with Marwell Construction. On the return trip home they visited relatives in Edmonton and Red Deer.

Get well wishes are extended to Marie Jolly who is a patient in the Vulcan Hospital.

People of this community were sorry to hear that Mrs. Leonard Kidd was injured while travelling in her car last week and a speedy recovery is wished her.

The Hagedorn family attended a dance at Cheadle in honor of Mr. and Mrs. Bob Watson's wedding anniversary. The latter is a sister of Mrs. Hagedorn.

Congratulations are extended to Mrs. Edna Piehl on being the lucky ticket holder on a draw last Saturday at the Safeway Store in the Macleod Mall. The prize was an R.C.A. Color TV set.

Mr. and Mrs. John Christie were Sunday guests of Mrs. Viola Blisde of Calgary.

DINTON

Mr. and Mrs. Herb Willoughby are visiting relations in the East. Mike Raycraft and Sid Mitton had success hunting.

Mr. and Mrs. Frank Thurber have their grandchildren visiting them.

Ted Johnston had his tonsils out last week.

W.I. MEETING

Fourteen members and six visitors met at the home of Mrs. Melvin Raycraft, Nov. 18 for the monthly meeting.

The WI will join with the FUA again for the annual Christmas party to be held Saturday, Dec. 10. Pot luck supper as usual. Annual reports were read. Next meeting will be the Christmas meeting to be held at Mrs. Willlocks on Wednesday, Dec. 14, exchange of gifts. Lunch was served and enjoyed by all. Hostess was Mrs. Melvin Raycraft assisted by Mrs. H. McWilliam.

KEITH WRIGHT,
Edmonton

Alberta Junior Citizen of the Year.

You'd think one heroic deed a year was enough for any 11-year old boy—but not for our award winner, Keith. Last summer Keith and his friend Kenny Beisel were walking along Mill Creek. Attracted by the cries of some children, they discovered 2-year old Debbie Shulz lying face down in about three feet of water. Keith waded into the water, pulled the child out and handed her to Kenny. After making sure she was breathing, they took her home. The other heroic deed? Last April when Keith was on a Boy Scout hike in the Rainbow Valley area, he courageously used

his windbreaker to extinguish a menacing grass fire. The windbreaker was burned, but the fire was put out!

We congratulate Keith and his enterprising friend Kenny, and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Mrs. Dalton, Editor of the Beverly Page and to Keith's nominator, Germaine Dalton of Edmonton.

4-H Club Notes

Lomond 4-H Beef Club—

The re-organization of the Lomond 4-H Beef Club took place on Nov. 9, at the Badger Lake Hall. Guests were Miss Fran Cullen, home economist of Vulcan and Mel Minchaw, 4-H regional supervisor of Lethbridge.

Miss Cullen gave a brief outline of the work of girls' clubs. Mr. Minchaw gave a brief talk on beef and multi 4-H clubs. A 4-H Beef and Breeding Club was formed with 16 members.

The election of officers was held and are as follows: President, Marie Bolduc; vice-president, Willie Hildebrand; secretary, Glenda Root; treasurer, Doug Bolduc; club reporter, Wendy Lucas; Junior leaders, Linda Maier and Ester Craine; leader, Gordon Lucas; assistant leaders, Glen Root and Billy Bolduc; advisory committee, Paul Maier, Mrs. Crawford and Mrs. Elliott.

The calves are to be weighed in on Nov. 17, at 10:00 a.m. at the Lomond Wheat Pool Elevator. The next meeting will be held at the home of Glenda Root on Dec. 10.

The evening was brought to an end with a lovely lunch served by Mrs. Crawford, Mrs. Thompson, Marie Bolduc, Linda Maier, Glenda Root and Dorothy Lucas.

District News

MILO

Lawrence Clements is presently on holidays for two weeks.

Mr. and Mrs. Joe Thomson Jr., were Calgary visitors on Thursday.

The Milo school held parent and teacher interviews on Thursday and Friday afternoon.

Gail McKay underwent an appendectomy at the Vulcan hospital on Wednesday. A speedy recovery is expected to her by her friends.

John Monner, Keith Keimele and Art Peterson were involved in a motor vehicle accident on Monday night when the 1/2 ton they were riding in went over the end of the Cluny bridge. Art Peterson was the only one hospitalized, suffering from leg injuries.

The Lions club held their regular supper meeting on Wednesday, Nov. 16th in the community hall. A committee was formed to look into the cost of a new indoor skating ring and curling rink. Both of these are very much needed.

Mr. and Mrs. Ralph Hall accom-

panied by Mrs. Jane Hall of High River were Calgary visitors on Friday.

Congratulations to Mr. and Mrs. John Ivers on the birth of a daughter at the Vulcan hospital this week.

Leroy and Leonard Peterson of Calgary spent the weekend at the home of their parents.

Mr. and Mrs. Joe Clements of Calgary were Sunday visitors at the Wm. Clements home.

The Junior high school sponsored a play from the Allied Arts Centre of Calgary on Friday, Nov. 18th, "Sinbad and the Mermaid."

Mr. and Mrs. Hirst Goldthorpe of Lomond visited at the Ken Stumpf home on Sunday.

Mrs. Lawrence Smith has returned home after a two week trip overseas visiting relatives.

Mr. and Mrs. Vic Bertrand have returned home from a two-week tour of points in England, Scotland and France.

Mr. and Mrs. Lawrence Clements and family were Lethbridge visitors on Tuesday.

Correction: Bruce Crabb did not undergo surgery at the Vulcan hospital as reported recently.

Correction: Bob Hamilton is the new Revelstoke manager at the Milo yard instead of the name given in last week's column.

The Hi-C group held a successful produce bingo in the community hall on Saturday night.

BLACKIE

CHAMBER OF COMMERCE

The Blackie and District Chamber of Commerce and Agriculture at the meeting on Nov. 15 resolved to set up a Hall Board and asked the following organizations to participate: The Blackie Village Council, Blackie Chamber of Commerce, Ladies Community Club, and the Lions Club. Each organization is to appoint one member.

The Chamber also decided to sponsor the skating rink for the winter 1966-67 if enough are interested. Elson Seney, chairman of the new community center was asked to carry on for another year. Ander Christofferson showed slides of his recent trip to Norway which were enjoyed by all.

NIGHTINGALE UCW

The November meeting of the OCV Nightingales was held at the home of Mrs. C. Kumlin with nine members and one visitor present. Devotional was led by Mrs. R. Elliot and roll call was answered with broken toys. More candy had been ordered to be sold before Christmas.

Little Irving Choir posters had been drawn by the Junior Choir and were judged at the meeting. Linda Callis and Rosanne Montgomery posters were chosen to win first prize. It was decided that this group would again be Mystery mothers to the CGIT girls.

The December meeting is to be held in the Church and the afternoon group will be invited for a Christmas program. Lunch was served at the close of the meeting by the hostess assisted by Mrs. A. Christofferson.

WATCH OUT FOR POPLAR BUD-GALL MITES

This mite is very damaging to poplar trees. The damage that is caused is seldom noticed until the trees are infested past recovery.

The mite damages the trees by causing a leaf cluster to become distorted and form a mass of tissue somewhat like a wart. Each time a gall is formed the number of leaves are reduced. Initially this is not important, but as the number of galls increase the tree becomes weaker and weaker until the tree dies.

As the chemicals do not seem to control the poplar bud-gall mite, the only practical method of control seems to be removal of the particular gall by pruning. On a small tree, individual galls can easily be removed. Older, larger trees which can become heavily infested would require a very large amount of time to prune each gall individually. With large trees whole branches can be removed.

Deciduous trees, regardless of the reason, should be pruned only during their dormant season. In the case of the poplar bud-gall mites, it is doubly important that we prune in the dormant season as the mites begin to spread almost as soon as the buds begin to grow.

Also important, all infested trees should be pruned clean during the same season. This means any immediate re-infestation is eliminated. All cuttings should be burned and definitely not left in the shelter belt. Even if the galls are cut from the tree, the mites can still hatch and cause damage. If you're interested in further information on pruning of various trees and shrubs, we have excellent information in the office for distribution.

FARMERS SHARE DOWN 30%

In 1949 the farmer received 58 cents from every food dollar. This 58 cents was used to pay the farmer's expense of growing the crop and selling the crop, with some left over to live on during the winter. Today, the same farmer gets 41 cents. Just to break even, the farmer of 1966, has to get by with 30% less of each dollar's worth of food. How can this happen. The answer is a simple one, "become more efficient," but this is not an easy thing to do. It appears that the farmers' share will have to increase if we want a constant supply of more food. We already have problems with Dairy products. Other food projects could easily become in short supply.

Weatherman: "In the forecast for this afternoon, put down rain."

Assistant: "Are you sure?"

Weatherman: "Certainly, I lost my umbrella, I plan to play golf, and my wife is giving a lawn party."

Sluggish Kidneys May Bring Restless Nights

If you "fight the pillow", toss and turn all through the night and don't really know why — perhaps here's news and help for you! One cause of such restlessness may be traced to sluggish kidney action. Urinary irritation and bladder discomfort may follow. The result can be backache and restless nights. This is when DODD'S Kidney Pills can help bring relief. DODD'S stimulate kidney action, helps relieve the irritated condition that causes the backache. Take DODD'S, and see if you don't feel better, rest better. Don't wait. Ask for DODD'S Kidney Pills at any drug counter. Used successfully by millions for over 70 years.

MUNICIPAL COMMITTEE MEETING

The regular November meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Wednesday, November 2, 1966. The meeting convened at 10:20 in the forenoon. Chairman of the Committee Ivan Haga presided, and Committee Members M. Willard, A. W. Ulrich, F. E. Hubka and Donald A. McNiven were present at the meeting.

Also present were D. D. McQueen, Secretary-Treasurer, J. J. O'Reilly, Maintenance Foreman, M. Dersch, Construction Foreman, and R. Brown, Shop Foreman.

The Secretary-Treasurer advised the Committee that the following Winter Works Projects had been approved: Project No. 86: Crushing and Stockpiling 100,000 cu. yds. gravel. Project No. 87: Cut hills and rebuild road for better vision West of 24-16-20-4 and West of

32-15-24-4. Project No. 88: Rebuild road for better vision South of Sections 15 and 23-16-25-4. Project No. 89: Build new road South of 14-16-20-4. Project No. 90: Rebuild road for better vision South of 18-16-23-4.

Mr. Fitzpatrick was present at the meeting and discussed with the Committee the accident to his wife which occurred on the road allowance between Sections 32 and 33-21-W4th. It was alleged that the Hutterite Brethren had created a hazard on the road allowance by digging a ditch for the purpose of draining water from one field to another, and Mrs. Fitzpatrick ran

into the ditch and damaged their car quite extensively. The damage had been reported to the Fitzpatrick's insurance company and information was given that the Hutterite Colony had re-imposed the insurance company for the total cost of the repairs to the car. Mr. Fitzpatrick complained about this being allowed and he felt that the road should be in such shape as to permit travel at all times. He cited other cases where there had been problems over damage to roads.

The Secretary-Treasurer opened the following tenders for gravel crushing:

Off the Belt In Stockpile
Tollestrup Construction 47 per cu. yd. 60 per cu. yd.
Willow Creek Sand & Gravel 53
Kenroy Crushing 64
Union Sand & Gravel 81
M.E.L. Paving 92
Triangle Crushing 93
Marvin's Construction 96

It was moved and carried that the contract be let to the Tollestrup Construction Co. at 47 per cu. yd. off the belt and 60 per cu. yd. in stockpile.

The members of the Committee discussed the matter of progress made by Underwood, McLellan & Associates in preparing the recommendation for secondary roads in this area, and expressed general dissatisfaction and disappointment in results which had been obtained. Instructions were given to the Secretary to write a letter to this effect to the engineers and state the views of the County of Vulcan in this regard.

The matter of an application to the bridge branch for large culverts to be used in the straightening of the road allowance at Section 28-20-23-4 as described in the Department's Bridge File 690 was discussed. It was noted that this was quite an expensive project requiring the moving of some

135,000 yards of dirt. It was moved and carried that the County undertake this project on the basis of the 1967-68 Winter Works Program.

The Committee discussed the matter of building a bridge at S/SW 30-17-25-4 at the location described in the Department's Bridge File 76119. Information was given to the Committee that it would be impossible to grade the road owing to flooding conditions at this location and it was decided that this project be cancelled until further notice.

SCHOOL COMMITTEE MEETING

The regular meeting of the School Committee of the County of Vulcan No. 2 was held on Monday, October 31, 1966. The meeting convened at 10:20 in the forenoon. Chairman of the Committee, F. N. Thurber, presided, and Committee Members Ray Wellman, E. W. Prater, D. A. McNiven, E. E.

Burriss, A. McAllister, George Moses and Earl Erickson were present. Also present at the meeting was E. F. Bardock, Superintendent, and D. D. McQueen, Secretary-Treasurer.

The Secretary-Treasurer certified that statutory notice of the meeting had been sent to all members of the committee.

Mr. Thurber reported to the meeting his visit to Lethbridge to attend the meeting of Zone 6 of the Alberta School Trustees Association on Monday, October 24th. One of the principal items of discussion was the matter of teacher evaluation and certification for years of training. It was noted that the University of Alberta had decided to discontinue evaluating teacher qualifications on November 1st, and that school boards would be required to find other means of having evaluations made. This presents problems in view of the fact that most salary contracts with teachers contain a clause that remuneration would be paid for partial years of training and that the evaluations be done by the University. Information was given to the Committee that the County of Vulcan had some twenty-five teachers who were waiting to have their qualifications valued and that it was possible that a large number of the teachers would not have this done. It was pointed out that the Alberta Teachers Association has set up an evaluating committee which would certify teacher training in partial years of qualification. It was also noted that the Department of Education had set up its own teacher committee, but only complete years of training would be considered. The members of the committee were unanimous in the opinion that the County of Vulcan needed some service to evaluate teacher training in partial years, owing to the fact that the salary schedule provided for such payment.

It was moved and carried that the County of Vulcan use the Alberta Teachers Association evaluation service for salary purposes for the remainder of the 1966-67 school term.

Mr. Thurber spoke of a request to have four additional Indian students sent to the Arrowwood or Mossleigh school. This matter was discussed, and it was moved and carried that authorization be given to the Principal of the Arrowwood School to accept the four additional students if suitable arrangements could be made.

It was moved and carried that authorization be given to pay incidental expenses for the Calgary Philharmonic Orchestra on its visit to the Central High School in the near future.

It was moved and carried that the Committee approve a change in the book rental system from a book charge to making a charge on a unit basis.

Mr. Bardock spoke of the problem of poor Grade IX's who were being promoted to high school in Grade X. He felt that the principals should design a special course of studies for these students. This policy was endorsed.

Authorization was given to the Superintendent to formulate a policy in respect to classroom equipment and supplies being provided in the schools. It was suggested that this be on a basis of need and that when the recommendations are ready, they be presented to the School Committee for approval.

A. L. Husby, Principal of County Central High School, was present at the meeting and discussed matters with the Committee. The first item was the matter of policy for students who are being vanned to Vulcan leaving the school during the noon hour period. This matter was left in the hands of the Principal and authorization given to him to adopt a policy which would be suitable for the school.

Mr. Bardock told the Committee that he recommended that the County of Vulcan Inspectorate be moved from the Lethbridge area to the Calgary area, and stated that this would be more convenient as there was closer contact with the area to the north than the south which would prove beneficial to the Inspector. It was moved and carried that the Committee advise the Chief Superintendent of the Schools that the County of Vulcan has no objection to this transfer.

Authorization was given to Mr. Bardock to organize an institute for the elementary teachers in the County of Vulcan, or teachers from Grades 1 to 3 as he sees fit, and that suitable honorariums be arranged for the outside instructors taking part in the institute.

It was moved and carried that

authorization be given to County Central High School to obtain old copies of examination papers, at the County's expense.

The matter of obtaining suitable sound equipment for the County Central High School auditorium was discussed and it was moved and carried that the County of Vulcan purchase loud speaker sound equipment from Sharp's Theatre Supplies as quoted in their letter dated September 17, 1966, on the understanding that the equipment would be satisfactory and fully guaranteed.

It was moved and carried that the Committee authorize the purchase of a suitable movie projector for the Mossleigh School.

Members of the Committee discussed at some length the matter of outside music teachers coming to the school and using the premises for the purpose of giving music lessons to children of the community. There had been extensive criticism by janitors and others of permitting this practice which was getting somewhat out of hand. A decision was reached that the Committee take no action to disturb any music teachers who are using the schools at the present time, provided the music teachers make some arrangements to pay the janitors for extra time and work, and that the arrangements so made be approved by the principal of the school, this policy to remain in effect until the end of the school term in June, and commencing in September 1967, a new policy would be formulated.

Mr. Bardock reported to the Committee in respect to a visit of the Supervisor of Industrial Arts, Edmonton, to County Central High School, and it was noted that the Shop was too small and that there was provision in the school building regulations for a grant of \$20.00 per square foot for a certain amount of additional space. It was felt that the matter of an addition to the Shop should be looked into and it was decided on motion that the School Committee explore the possibility of building this addition.

Public Notice

Village of Lomond

NOTICE is hereby given that the following by-law has been introduced and given two readings by the Council.

BY-LAW No. 231

A by-law of the Village of Lomond to establish a recreation area in the Village of Lomond, and to authorize an agreement with the County of Vulcan No. 2 for joint recreation programs and a joint recreation board.

WHEREAS the Council of the Village of Lomond desires to establish a joint recreation program with the County of Vulcan No. 2,

NOW THEREFORE, pursuant to Section 340, sections A, B, C and D of The Town and Village Act, being Chapter 338 of the Revised Statutes of Alberta, 1955, and amendments thereto, the Council of the Village of Lomond enacts as follows:

1. That the Village of Lomond be established as a recreation area.
2. That the Village of Lomond enter into an agreement with the County of Vulcan No. 2 to provide for joint recreation programs in the Village of Lomond and Electoral Division No. 6 of the County of Vulcan No. 2, and to provide for a joint recreation board to manage such recreation programs, such to consist of seven members, four of whom shall be appointed by the County of Vulcan No. 2 and three to be appointed by the Village of Lomond.
3. That a special tax of one (1) mill be levied each year on all rateable property within the said recreation area that appears on the assessment roll of the Village of Lomond, for the purpose of the joint recreation program.

Received the first and second reading this 14th day of November, A.D. 1966.

B. M. STOKES,
Mayor.

HELEN M. R. CHAPMAN,
Secretary-Treasurer

AND FURTHER NOTICE is given that unless a petition signed by 10% of the proprietary electors of the area asking for a vote of the proprietary electors in the area is received within 30 days of the date of this notice, the Council will proceed to give the by-law third reading and finally pass the same.

DATED at Lomond, Alberta, this 23rd day of November, A.D. 1966.

THE HOMEMAKER

MISS FRANCES ANN CULLEN

District Home Economist

Box 480, Vulcan — Phone 485-2117

Dear Homemakers,

A top authority offers simple suggestions to help you give yourself a lift with good looks. The following is condensed from an article by Iris Segal, Vice-President, Antoine's Beauty Salons.

All beauty problems don't have the magnitude of 50 unwanted pounds. Some come in small packages. Forgetting to put on lipstick, letting the hair get straggly, going around in blue jeans all day and not caring enough to change.

When we are in our teens, we all to some extent dress and make up to get attention. And why NOT? We are hoping to attract boys and eventually find the ONE. Teen-agers preen themselves, experiment with make-up and their hair styles; they study themselves, the fashions, the movie and TV stars, to learn to achieve a pretty picture. And these youngsters finally get what they want—a husband.

But once a gal is married, a lot of this attention to being attractive goes out the window. I'm not saying a lot of it shouldn't. There is much to be said for the surrender of privacy in marriage. Your man may love you all the more when he sees you washing your hair, brushing your teeth, clipping a hangnail. He feels he has broken your facade and made you all his. And sometimes, it is true, a young wife looks her prettiest without make-up,—with her clean young skin and untouched-up lips. A woman needn't always be wearing lipstick—a smile with freshly

cleaned white teeth can be beautiful, too. The question is—how far can woman let herself go before she's too far gone?

I was surprised to learn that a man I know, someone I considered to be extremely likeable and probably easy to live with, had walked out on his wife. Eventually I was able to ask him what had happened. And this is his story:

"On the morning I packed up and walked out, nothing was much different from the usual. At breakfast there was the uncombed hair and the familiar old wrapper—it couldn't be dignified by being called a negligee or even a house coat. There was also the gummed tape between her eyebrows to smooth out the frown lines. But then the doorbell rang, and my wife said, 'Oh, John—please go to the door, it's the paper boy, and I wouldn't want him to see me looking like this.'"

NO, But it was all right for her to look "ashamed to be seen" when she ate breakfast with her husband. Too much of this and a man begins to feel he doesn't count. No matter how close a relationship is, there are always certain things that are held back—these make for interest; but there should always be some giving out, some extra effort, for one you love.

Just as we can alienate feelings by the routine of straggly hair and unkempt housecoat, we can inspire affection and appreciation by looking pretty, by primping just for family. Your children as well as your husband will love you more when they can be proud of you. You may not be prettying up to catch a man—but it pays to pretty up to hold the appreciation of the one you have. And there's nothing like APPRECIATION FROM HER FAMILY to boost a woman's morale.

NEWS FROM PETER DAWSON LODGE

On Nov. 6, despite the bad weather a good crowd was on hand to enjoy the lovely lunch, bazaar and bake sale the ladies of the Lodge and staff had prepared.

Mrs. Nelson of Red Deer was a recent visitor at the Lodge, also Walter Sinclair of Vancouver, B.C.

Mrs. L. Sparks of Calgary was a brief visitor at the Lodge to attend the tea on the 16. While here she and Mrs. Helgeson motored to Carmangay to visit Mrs. Lar-kins who is a patient there.

Mr. and Mrs. G. Flebotte had as their guests their daughter and her husband of Spanaway, Wash.

We welcome Mrs. Alta Turley of Calgary as our new guest.

We hope Mrs. Eamorr will be back with us soon, also Mrs. Schmelke. They are both in hospital.

Mrs. E. Marshall is back with us after a long stay in the Calgary hospital.

Mrs. A. Fath was a brief visitor in Calgary last Friday.

We hope Peter McIntyre will be back soon after having major surgery in Lethbridge recently.

Mrs. Grace Dahl and Mrs. Meyers were recent visitors at the Lodge.

Mrs. A. Turley had her family from Calgary as visitors Saturday, also her son from Kircaldy.

Mr. and Mrs. J. McLaughlin and Mr. and Mrs. P. Lecuyer had as their visitors Sunday Mr. and Mrs. Stan Brown and Mr. and Mrs. Glen Smith, old friends of Queens-town who now make their homes in High River. Mr. and Mrs. George Elder of Milo were also their visitors.

Mrs. Hazel Douglas, one of our staff and her family made a brief visit to Raymond Saturday to attend open house held for her aunt and uncle Mr. and Mrs. Peter Flexhaug on their 50th wedding anniversary.

Mr. and Mrs. Jim Halvorsen of Taber were here to visit their grandparents Mr. and Mrs. J. McLaughlin.

M. and Mrs. John Olson and Mr. and Mrs. G. Sweetman of Calgary were brief visitors Sunday, guests of Mrs. Helgeson.

Mrs. Dora Salter and her daughter Nellie Hutton had a weekend shopping in Lethbridge.

Mrs. Rae Graves had as her visitors her daughter and husband, Mr. and Mrs. Don Campbell of Calgary.

Quite a few people at the Lodge took advantage of the nice weather Sunday and went visiting for the day.

take the Mustang Pledge for '67

- I will not pay extra for bucket seats.
- I will not pay extra for a sporty stick shift.
- I will not pay extra for wall-to-wall carpeting.
- I will not settle for an automatic transmission unless I can also shift it manually...like Mustang's SelectShift.
- I will not brag about my Mustang's Tilt-Away Steering Wheel.
- I will not gloat over how much I saved at Mustang's new lower price.

Mustang Hardtop

Mustang's
lower price — **\$2956***

There are three all-new ways to take the Mustang Pledge. All longer, wider, sportier. Hardtop, convertible or fastback. Whichever one wins your allegiance, you'll be smiling. Because after all, you'll be driving a beautiful bargain!

Mustang's motto "Bred first... to be first!" means Mustang gives you much more for your money than the recent arrivals. And, (delicious thought!) Mustang costs you less to begin with. Will you now please raise your right hand?

News From Peter Dawson Lodge

Well, there are only 26 shopping days till Christmas as the saying goes and our home seems to be busy as a beehive.

Our staff banquet has been set and program plans are now under way for entertainment and the like. Our party for the residents is also in the planning.

We have almost completed our "Centennial Quilt," which we are making for Canada's Centennial year. When we have completed this quilt we plan to send for the makings for another. We feel that those who have been working on the quilt here have received both enjoyment and satisfaction from their time.

Have you ever wondered...

...who keeps Albertans informed on government activities?

To make sure that as many Albertans as possible know as much as possible about government activities and services is the responsibility of the Alberta Government Publicity Bureau. Although attached to the Department of Industry and Development, the Bureau's scope includes all departments and, to keep the public informed, it utilizes many forms of communication. Advertisements, such as this, news releases provided to all media, a variety of free periodicals, all help keep you informed on the activities of your Provincial government and the services it performs on your behalf.

...what is the most important use of water?

Water is VITAL to the sustenance of human life; necessary for irrigation and

industry; preferred for the production of power; and desirable for recreation. These are the priorities set for the use of Alberta's water by the Water Resources Division of the Alberta Department of Agriculture, and it is the responsibility of this agency to see that the supply is distributed accordingly. To help accomplish this purpose, no one may divert water without authority from the Division and permanent records are kept of all water diversions. This careful control is necessary for the long term planning required to assure Alberta sufficient water for all uses through the growing years ahead.

...if the rights of any Albertan are being destroyed by discrimination?

The continuance of the traditional Alberta policy of judging a man by his personal worth, not by race, creed or color, is the purpose of The Human Rights Act. Administered by the Alberta Department of Labour, this Act is designed to safeguard the dignity and human rights of all residents of the Province. In order that each Albertan will know his rights and responsibilities under The Human Rights Act, an extensive educational and informative program is currently being prepared by the Department of Labour.

...if homesteading in Alberta is extinct?

Homesteading is still very much alive in our Province, sustained by an average of more than 1,000 applications for land received each year by the Lands Division, Alberta Department of Lands and Forests. Under homesteading regulations a man can purchase land at the going price, without competitive bidding, and he doesn't have to make any payments

during those important first three years when he needs all his capital to establish his buildings and obtain equipment. He doesn't start paying taxes or payments on the land until the beginning of the fourth year. In return for these advantages, the homesteader agrees to cultivate a minimum of 40 acres per quarter section within four years and to establish residence on the property for at least 12 months to qualify for title.

...what precautions are taken to provide immediate treatment of accidental poisoning?

Every general hospital in Alberta has a poison control centre where information of poisonous substances is immediately available to the family doctor, the hospital nurse or, in emergencies, to parents. Maintained by the Department of Public Health, these centres have a quick reference system which provides details on whether or not a substance is poisonous and, if so, what the active poisonous material is and what can be done about it. In addition to these poison control centres, poison information centres are located in Calgary and Edmonton, where information on special treatment of unusual poisons is immediately available to doctors or hospitals.

HOME AND SCHOOL
The Brant Home and School meeting was held in the library of the school on Nov. 3 with a very good attendance.

It was announced the school opening was to be held Friday, Nov. 4 at 8 p.m. The Home and School are to serve lunch, Mr. and Mrs. F. Olsen and Mr. and Mrs. E. Wilkinson are to be hosts.

The programme was very interesting the heading being "Are our schools meeting the needs of Industry and Business."

The panel consisted of Mr. M. Glennie, personnel officer for Imperial Oil, Calgary. Mr. G. Tibbott, Royal Bank, Assistant Manager, Calgary. Mrs. O. Kandt, Head of Business Dept., Vulcan High School. They all had the feeling that the students that come out of High School do not want to go into the training program of the business they are going to work for.

The manager of the Royal Bank of Blackie E. Milla and Mrs. Hingston of Calgary Royal Bank, had some very interesting thoughts to add to the discussion. Lunch was served by Mrs. E. Hall and Mrs. M. McLean.

Gay Nineties

(Continued From Front Page)

served in the basement by ladies of the Eastway and Sunshine Community Clubs while the Kirkcaldy WI handled the ticket booths.

In addition to group help, many individual volunteers, among them young people, helped in construction and operation of booths and in the clean-up.

The Recreation Centre committee was pleased with the response to the carnival and it is hoped to repeat this next year. It was felt though, that a two-night carnival such as was held last year is preferable both to the patrons and to those working on it and this will be considered at the next meeting of the group.
